- Status changed from New to In Progress

- % Done changed from 0 to 50

The container hosting the OAI Exporter is currently visible only to the intranet (part of it), it responds to calls like the following

https://dnet-openportal.isti.cnr.it/is/mvc/oai/oai.doverb=ListRecords&set=ISTI&metadataPrefix=oai_dc

In order to make it really working as expected we should open the exporter service and make it available on the web.

I would suggest using the following base url

<https://openportal.isti.cnr.it/oai>

Thus the service should be capable to serve requests like

<https://openportal.isti.cnr.it/oai?verb=Identify>

I kindly ask @andrea.dellamico@isti.cnr.it to liaise with @michele.artini@isti.cnr.it to set up a proper OAI-PMH service.

- Assignee changed from Michele Artini to Andrea Dell'Amico

I'm temporarily assigning the ticket to @andrea.dellamico@isti.cnr.it to unveil and beautify the URL for reaching the OAI-PMH service, i.e.

the <https://dnet-openportal.isti.cnr.it/is/mvc/oai/oai.do> should be reachable by <https://openportal.isti.cnr.it/oai>

#5 - Oct 27, 2020 07:16 PM - Andrea Dell'Amico

- Status changed from In Progress to Feedback

- Assignee changed from Andrea Dell'Amico to Michele Artini

I enabled the redirection, but I do not have a valid test URL to check that it works correctly

#6 - Oct 28, 2020 08:33 AM - Michele Artini

- Status changed from Feedback to Completed

The redirection works perfectly, the url for harvesting ISTI records is

https://openportal.isti.cnr.it/oai?verb=ListRecords&metadataPrefix=oai_dc&set=ISTI

#7 - Oct 28, 2020 11:48 AM - Anonymous

- Status changed from Completed to In Progress
- % Done changed from 50 to 70

Thanks for this ... now that I can see the OAI-PMH responses I have some requests for changes. I'm going to open specific sub tickets for this.
