ISTI Open Access - Feature #16613

Access to dnet-openportal only from ISTI network

May 02, 2019 10:39 AM - Michele Artini

Target version:	ISTI Open Portal Tasks			

Description

I noticed that there are a lot of attempts to access to dnet information service (port 80).

Can you permit the access only from ISTI and/or configure HTTP password authentication on nginx?
