ISTI Open Access - Support #19156

Create a Joomla instance for the CNR alpha version of OpenPortal

Apr 27, 2020 11:12 AM - Leonardo Candela

Status:	Closed	**Start date:**	Apr 27, 2020	
Priority:	Normal	**Due date:**		
Assignee:	_InfraScience Site Reliability Engineer (SRE)	**% Done:**	100%	
Target version:				
VREName:				

Description

A machine being a clone of the Joomla instance at

https://beta.openportal.isti.cnr.it/

should be created. This Joomla instance should run with the following URL

cnr.openportal.isti.cnr.it/

History

#1 - Nov 12, 2020 10:43 AM - Leonardo Candela

- Status changed from New to Closed

- % Done changed from 0 to 100

The instance is up and running since months but the url.

I'll suggest closing this activity, the service will remain up and running on https://beta.openportal.isti.cnr.it/ for demonstration purposes.
